Education

Bachelor of Science: Computer Science, 12/2024

Southern New Hampshire University - Manchester, NH

- summa cum laude graduate

Bachelor of Science: Family and Consumer Sciences, 01/2015

Nicholls State University - Thibodaux, LA

Associate of Science: Safety Technology, 01/2015

Nicholls State University - Thibodaux, LA

Associate of Science: Process Technology, 01/2018

Coastline College - Palo Alto, CA

Project

Learn Angular from Scratch API Development, Developed and deployed a RESTful API to integrate a frontend Angular application with backend services. Cloud-Based Inventory Management System, Designed a scalable cloud application for inventory tracking, leveraging AWS services such as S3 and DynamoDB. Full-Stack Web Application, Built and deployed a web app using Node.js (backend) and React (frontend), hosted on AWS.

Certifications and Awards

- AWS Cloud Practitioner, In Progress
- OSHA 30 Certification
- Process Technology Certificate
- CDL Class B with Air Brakes
- Smith System Certified and Trainer
- Safety Excellence Award (Kentwood Springs)
- Employee of the Month (Kentwood Springs)

Skills

- Python
- C++
- Angular
- SQL
- Java
- JavaScript
- Node.js
- AWS

- EC2
- RDS
- Full Stack Development
- MongoDB
- Agile
- Git
- Microsoft Office Suite
- Object-oriented programming
- Algorithms and data structures
- S3
- RESTful APIs
- React
- MySQL
- Scrum
- Docker
- HTML and CSS proficiency
- Web app development

Community Service & Volunteer Work

- Tim Tebow Foundation, Chaperone for special-needs participants at prom events.
- 5K Run for Excellence, Managed donation booths to support local educational initiatives.
